

Update

Sept. 7, 2007

Stage 1 Review

- Friday September 28th
- Team members will demo and discuss Stage 1 achievements
- Preview Stage 2 efforts
- Invite to come

Agenda

- What is BlueOne
- BlueOne staging
- BlueOne status
- Need for help

BlueOne

What is BlueOne

- UI Clean-Up
- Select UI redesign
- Power User features

What BlueOne is Not

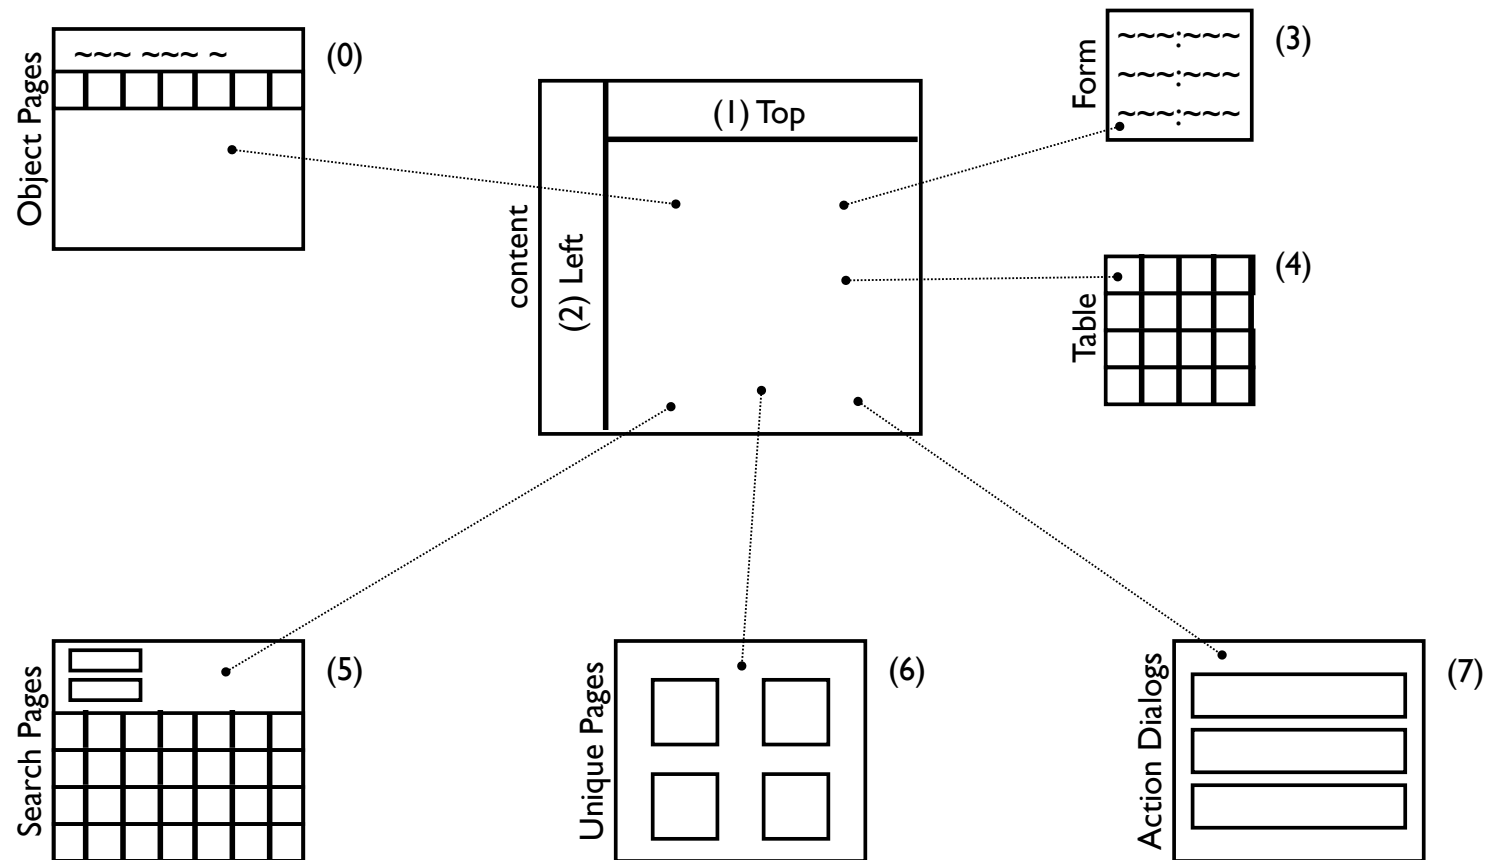

- Not a change to use cases
- Not a departure from our object - tab paradigm
- Does not focus on casual users

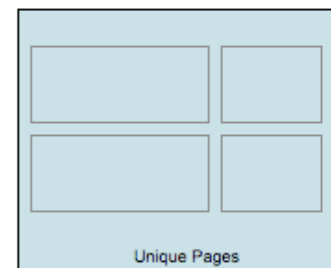

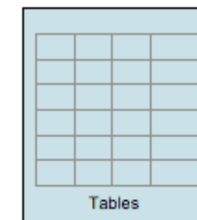

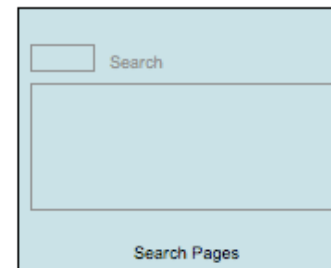

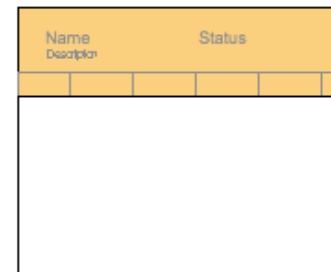

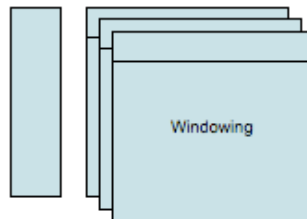

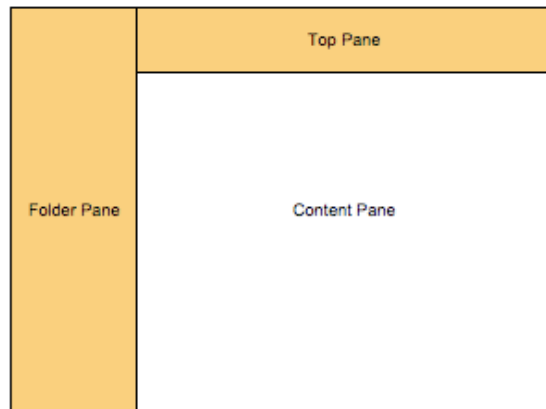

Project Staging

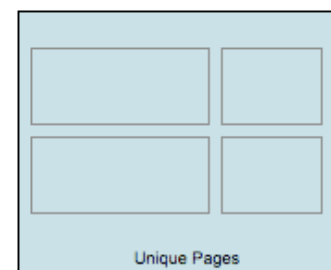

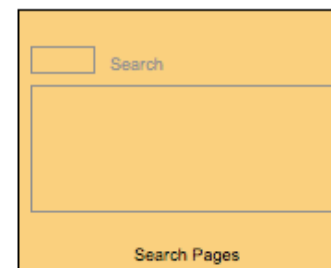

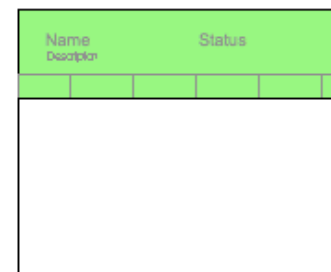

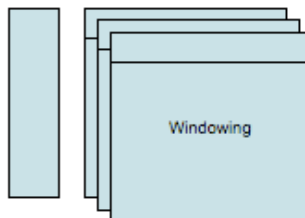

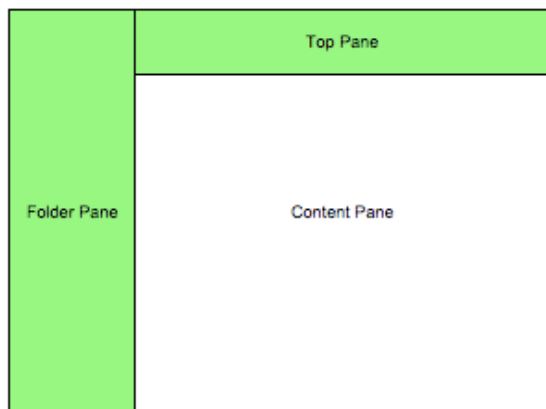

Project Staging

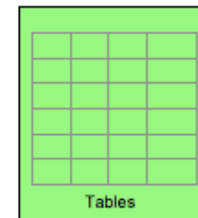

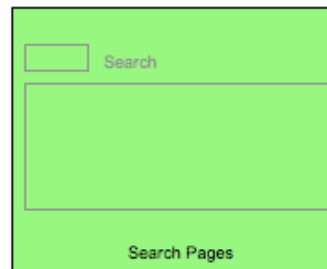

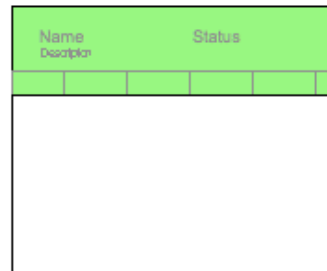

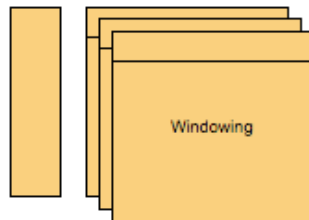

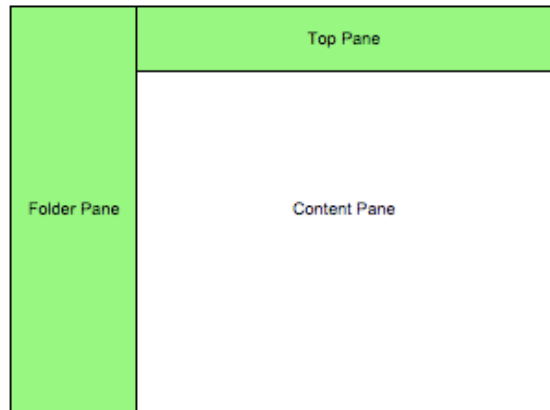

Stage 1

Stage 2

Stage 3
